

Connie's Eightieth Birthday Party

The Ladies of Littlestone Warren met for lunch on Friday 18th December to celebrate the first lady member, apart from our President Anne Vines of course, to reach her eightieth birthday. Joining Connie was her younger sister from Australia and a "selection box" of lady golfers from Littlestone Warren.

It was a great occasion and Connie looked relaxed, elegant and happy to be back with some of her old playing partners.

Everyone agreed that they hoped to be as fit as Connie when they reached her age. To mark the day Liz Cobb had arranged for a lunch provided by the staff and a celebration cake cooked by Carol and Janice's sister in law. Connie has been a member of the golf club since the early days and was a full playing member until last year.

She has had a number of celebrations in December and it was good that we could get together and present her with her cards and a potted plant tub to cheer her through the winter months. Thanks Liz for organizing the day.

Happy Birthday Connie..... our first Octogenarian !
